Even though you are gone away, Your love will always be here to stay. You've touched our hearts in so many ways.God knew you were the one to save, His angels took you home to get some rest, Even though we loved you the best.Our hearts are filled with so much pain, God loved you more, there is no shame. At this time we must let go.Rest our dear Connie with peace of mind, Your memories will live on throughout our lives

I haven't been able to come up with the words to do justice to such a special person. I have known Mrs. Connie all my life, I love her as family. She and I have both always been part of that special place known as Crossroads. My heart goes out to you, Jacky and to your children, grandchildren, siblings, & extended family

So sorry to hear of Aunt Connie's passing. It's been a long time since I've seen any of the AR family, but I have fond memories of my childhood visiting Bald Knob. The family is in our prayers and Connie's in the best place possible. Love you all!

We shared most of childhood years and we were in the same class at Bald Knob High School. She was very sweet and caring person. I believe she is enjoying heaven now!!- Dwight and Janet Frits

My first memory of Connie is carring her and playing with her like a baby doll. Later,in her early marriage, while we were visiting in AR, she invited my family into her home and prepared a wonderful meal for us. We were so appreciative of her kindness. I will always remember her beautiful smile!
