In this sorrowful time, we would like to extend our heartfelt condolonces. May our Lord comfort you and your loved ones. Words may not suffice to express the heartfelt sorrow that we feel for the passing of Uncle Leon. We we be sure to include him in our daily prayers.I, myself, have many happy memories to keep him alive in my heart and mind. Many summer trips were to Ark. to see our Hobbs/Radcliffe Family, then onto Texas to see the Rodriquez Family. I remember one trip, uncle Leon took us to his factory where handblown glass artwork was made. The items were beautiful and really amazing and how it was done. Then he also made many beautiful handbags. But, I am a music lover, so some of the most treasured are the CD's he made and selection of music which is hard to find or expensive just to buy now, but he really put time and great effort in recording selections and sent them to myself and my sister, Rosa. He was a "natural" DJ when it comes to music. Also, I did not know the singing was another natural for Uncle Leon, until I heard music he performed with a family friend,Iris, who lived (deceased now) in Louisiana.Uncle Leon is now in God's House...surrounded by unmeasureable Love.Love to all, Jones family (carolyn rodriguez jones-angela jones crenshaw (husband David,son Colin),Kristin and Christopher Jones...in memory to you, my parents:Rudy and Betty Hobbs Rodriguez.

Words seem inadequate to express the sadness you feel. Although no words can really help to ease the loss you bear, just know that you are in my thoughts and prayers. Please accept my warmest cocondolences.
