“ Mr. Brimer was such a thoughtful man! He knew I enjoyed a certain type of squash he grew and would always bring me some at the clinic. Prayers for all who knew Mr. Brimer.

“ Alton loved gardening, people and listening to good music. I always enjoyed his stories... Heard many from his tailgate or under the shade tree at the concerts. He was a big supporter of the Bald Knob Banner newspaper. Alton gave us many ideas for interesting news stories. We will all miss his smiling face and encouraging words. RIP my friend.

“ Sam and I met at RAF Wethersfield, England in 1964, we both were Airmen in the Air Force, we bonded right away forever, we both had the same values. On my visits through Arkansas I would visit Sam through the years, we both loved antiques and he knew the good spots to go. I will miss him and his stories about JFK's assassination, plus our times in England as Air Policemen. I remember him walking on his hands in our barracks, a feat most of us couldn't do. I will surely miss Sam, but I know he's in the Lord's house now with his family and friends. My sympathies to his family and friends. Rest In Peace Sam.
