Howard was a fine man. We all enjoyed our time with him, at the bowling alley and afterwards when we all went out to eat together. We are saddened by our loss of him, but happy for him, for he is again with his love, Mary.

Howard was a man who enjoyed life. I have enjoyed road trips with Howard, just driving through the country or to other states. I enjoyed taking him to Michigan to visit his family. I even enjoyed watching the Michigan State football game with him recently and a lot of laughs. (of course he won in the last 4 seconds) He will surely be missed. My love and prayers go out to the family. May God be with you.

Howard was such a nice man, and we are truly going to miss him! I enjoyed listening to the stories of his younger days and the war stories he would tell me, while we put up Jars of Salsa in the summer! My deepest condolences go out to his sister and nephews.
