“ When I was 16 (1979) I went to work for D.D. and Bob during the summers then worked part time during college. I would mow D.D.'s yard worked on Scott's go cart and what ever else needed to be done. He was patient with me while I learned to work on tires. Now I have been working with my family in the tire business for the last 36 years. He was a mentor for me.
He was a great man. Sam Sanders

“ Furlen went to work for DD and Bob Young(Young's wholesale Tire Co) in Dec.1978. Working with DD for 22 years before DD retired. I feel like Furlen became a part of the Young family then in 1978. Furlen and I were a young couple raising our daughters and felt like DD and Bob sort of took care of us like family and not just an employee. Furlen has been with Young's Tire and Auto for 42 years this Coming Dec. And Rob and Greg Young are still taking care of us. we will cherish great memories of DD at work and checking on us at the hosp. Anytime our family was there.Sandra and children has our deepest sympathy with love and prayers! We are forever great full for DD and Bob for giving our family a start in life! Melva and Furlen webb

“ I was very sorry to hear about DD. He was one of my oldest friends, as well as Bobby. We young men had a great time playing softball As the Busch Barbarians in the summers of the late 50s. I know he had a great life and was loved by his family, friends and customers.

“ My children and I met DD Young at Trinity Episcopal Parish in Searcy several years ago. Since then we moved out of Arkansas but DD Young was so genuine, welcoming and embodies the true spirit of a true Christian and servant of God. He was always sincerely caring and made the church and Searcy a better place for us. Thank you DD! May you Rest In Peace & Love.

“ I became friends with DD by playing a lot of tennis with him, maybe starting in the late 1970's or early 1980's. Driving to Little Rock Burns Park every Monday night in winter where we played indoors was always fun because he always had some funny comment.

“ In 1984 started my relationship with the Young wholesale Tire CompAny. D.D was the one that waited on me and the have been very good to me. Also I use to see him volunteering at the hospital. He always had a smile when I spoke. Will miss D.D.

“ D.D. and I became good friends simply by having the same lunch time at Unity Hospital. Along with Betty and Jim Lankford and a few others, we had many laughs and good times mostly listening to Jim. !! The first time I met him, I found myself sitting next to him in the cafeteria and (in one of my silly moods) I told him I had a BIG check out in the car, did he want to run away with me! I really did have the check (from a land transaction). It took him by surprise and he sputtered and spewed and didn't know what to say. It didn't take him long to figure me out and we joked back and forth for many months. I sure missed him and will continue to miss him. Sandra, God Bless. I only met you a few times, but I genuinely liked you and given the opportunity, think we could have been great friends.
