“ Eva is (still) the sweetest, kindest person I've ever known. First time we met, she grabbed my arm and introduced me as her Best Friend. And from that moment on, she was mine, too. We didn't see each other often enough, but when we did, it was hard to stop holding each other. I'm so sorry for her passing on but SO happy to picture her as of one of heaven's most welcome angels.

“ Eva Price was a beautiful, joyful Christian woman who loved Jesus with all her heart. Josh and I enjoyed worshipping with her at First Presbyterian in Beebe. She was always immaculately dressed and color coordinated. In Sunday School, she was the perfect example of Matthew 19:14, "But Jesus said, "Let the children come to me. Don't stop them! For the Kingdom of Heaven belongs to those who are like these children."

It was hard to lose her to dementia but I know she is in heaven loving every experience and is full of joy and wonder again.

Love you Mrs. Eva!!

“ Grandma, I was your first grandchild. I have many memories with you that I will cherish. While I cannot make your service and burial later today, I do want you to know that I love you and will miss you dearly. Living in northern Michigan and you in Arkansas, it has been difficult to visit as often as I would have liked. I was blessed to have you visit me in Michigan on two occasions, as well as my several visits with you in Arkansas and Texas. I am comforted in the fact that you were a woman of strong faith and are now in the arms of our Heavenly Father. You have also been reunited with your beloved husband and daughter, my mother. Given my steadfast and strong faith in Jesus Christ as my Savior, I know, without a doubt, that we will be reunited again! Please tell mom hello for me and that I think of her often. I believe and have faith that you and mom are looking down on me and will be with me in spirit. And as you know, God has promised in his Word that we will all spend eternity together! I love, respect, and will miss you dearly with my faithful heart!

Your grandson,

Kenny
