“ I remember all the times that your dad and my dad would go fishing and camping with all us kids. We all had so much fun and he would laugh so hard when they played cards. I know he is walking the streets of Gold and they are laughing and talking together again. Till we meet Again.

“ Sorry to hear of Larry's passing. We had good times together hunting and fishing when we were younger, and brother's in law. Though we didn't see each other too often in past years, I always considered him a friend. He will be missed. My sympathy goes out to his family. Clarence (Sam) Goodin

“ Dear cousin and family, I am so sorry for your loss. Larry was a kind, decent man. He was so kind to me when y'all first married, bothering to take a young pesky kid to the carnival and letting me spend the night, when he probably didn't want to at all. I'm sure he would've rather you two be alone. He was always respectful to me. He was generous with his produce, I remember before mom passed, how she was craving fresh greens and he picked her a nice bunch and had them delivered to her, she loved them. That meant a lot to her. I am so sad that y'all didn't get to share your anniversary this year. You and the family will be in my prayers. Love you all. Dianne
