“ I hadn't seen or talked to Acie in years but I have so many fond memories of him still. I hope everyone knows what a GREAT person Acie was. I went through quite a tramatic experience but Acie was there every step of the way helping me through it. We tried the whole dating thing but decided early on that our friendship was much too important. I won't continue to ramble but please know I have all of you all in my prayers.
