“ Leonard, Todd, Diana, and Boys: We have been praying for all of you since we first heard. I had so much respect for Ada as a woman of God. She always spoke to our kids before church and was always smiling! We will keep you in our prayers as the Lord leads you through this time.

“ Leonard, Todd and Family
Our prayers and thoughts are with you guys. We are so sorry and pray that God will keep all of you wrapped in his arms. That he will give you strength to get through the difficult days that will follow. That you will find comfort and peace in knowing that Ada was loved by some many and I know will be missed very much. She was a very sweet and caring person. There was always a smile on her face and a kind word to those who she meet, anytime or any place. Know that we love all of you and are here for you guys.

“ Leonard, Aunt Carnell, Todd, Diana and Family,
So many memories are running through my mind right now. Lanell and I used to follow Ada Nell and Glenda around when we were just kids. They were "older" and knew all about polishing nails and sunbathing. They were so patient and kind and taught us many things. The video is beautiful and the one with Aunt Carnell looks so much like Grandmother Pickens and Mother. Just know you are all in my prayers. It is a difficult time, but with God's help you can make it. Each day that passes seems to ease the pain a little. She'll always be in our hearts. I love you all. Debbie
