“ *My dear friend ,like a second mama to me. . I will miss you so much but you were struggling to breathe for a long time now but you always listened so patiently when I was missing my husband, my daddy, my sister and my mama. you told me the pain would get better as time went by and then I would lose another one and now I've lost you. but I would never ask you back ,cause all your suffering is gone and I won't say Goodbye .. I will wait patiently till I see you again. and I will do my best to keep the flowers from you and mama growing beautiful.....all my love , Arline*
