“ I am another of Adrian's niece's. I will also get to attend my Uncle's funeral.I live in Seminole Oklahoma. I hadn't talked to him or seen him in a while but I will miss him very much. He was my Dad's brother. He was the last of the Brumley siblings. He knew how to tell a story. I always looked forward to his visits when I was growing up and as an adult. He will be missed by family and friends.

“ I am Adrian's niece. I will be coming to my Uncle's funeral on Saturday.I will miss him deeply.Although I live in Piedmont Oklahoma I have stayed in touch with him as much as possible.I will miss talking with him on the phone and listening to all his stories.He could always bring a smile to my face and make me laugh.When I was a little girl he was a frequent visitor at our house.He use to call my sister and me his boys just to get an argument out of us.He loved to argue with people espicially my Mother who passed away in Nov. of 2007.He missed her deeply after she died. I loved my Uncle Adrian very much and so did alot of other people.He was a good man who worked very hard in his life and would always be there if someone needed help.I will never forget you Uncle Adrian.
