“ Sharon, and Family. I always thought the world of my uncles. Leon was usually home when we visited from Michigan, but Frank was older and usually some place else. One time Uncle Leon gave me his BB gun which was such a nice thing, and I cherished it. I'm sure he out grew it, but all I could think of at the time was Wow what a gift. I remember coming down one year and you were there, and how happy he was married to you. I remember his Love for Softball. He will be missed Greatly by all who knew him. I Pray that our Heavenly Father keep you wrapped in His Loving Arms. Love Y'all

Our thoughts and prayers are with you, Sharon and Rita Joe and all the family during this difficult time. We love all of you so much and hate having to see you deal with so much grief. But the grief comes because there was so much love for such a wonderful man, and he is going to be missed by so many. Thank you so much for sharing Leon with Troy over the years. They always had such a great time going to the horse races. I know this has left a large gap in Troy's heart.....he loved Leon so much and enjoyed every minute they were together. Love and prayers continue.....❤️🙏🙏🙏🙏

I just now found out about Leon's passing. Leon and I grew up on the same hill and caught the bus together when we were in school. He was always a little shy. A very good person. Blessings for Sharon and Rita and family!
