“ *Helen May, Wilma, Willie, Joy, Dewayne, Golden and families:*

*I want to express my sadness on hearing of your mother's death. She was a great, lifelong friend to my mother. I remember spending time visiting at your childhood home both when you all were still there and later with my own family in tow. I always considered her another aunt and it was great to visit with her--she talked about the same people my mother talked about! When our Granny and Grandaddy Waller, dad and mother died, Alene was one of the first to come and offer assistance. Wish I lived closer in order to be as quick to offer my help to you now. Love to you all--Robin and Claudine Moss -- Bloomington, IL.*

“ Some of my best childhood memories are those of visiting "Uncle Clint and Aunt Alene" during strawberry harvest time. While the adults were intense in the harvest I had the best runnin' with the cousins adventures and still look back on those times. Aunt Alene was the dearest sole and I never saw her without a smile and a pat on the heard or hug for us kids. It is true, and sad, that as we get older the families seem only to come together for funerals. I am so sorry to hear of her passing on and am filled with fond memories of our extended family.
