“ We know of no words to comfort at this time. I have to believe that Mimi and Granddaddy along with all of the angels are rejoicing that Baby Alex, the First of all their kids, grandkids and great grandkids is now in their presence and with Jesus. Your baby was here for a special reason, he accomplished his purpose and returned to our heavenly Father. I know that does not stop the pain but may it give you some comfort.
We love all of you,
Harold and Beckie
