“ Her name was Alexandra Irby, and I was proud to call her my wife for 3 years. Though depression finally took its toll, she was a kind and gentle soul who left us way too soon.

“ Alex was my best friend friend growing up. She was quiet, smart, kind, and caring. Madeline and Tom treated my sisters and I like their own! I'll never forget getting in our bathing suits and playing the rain, bike riding, and painting our toenails funky colors. Alex had a gentle soul that I will never forget. My heart is heavy for her loss, and even heavier because over the years we lost touch. You will always be in my heart, rest in peace Alex! Xoxo

“ Alex was such a wonderful person; and I loved her dearly; but her heart, mind and soul were always so troubled. I hope that she has finally found peace.
