“ Lexi was so much fun when I had her in Pre-K. She is the whole reason my family watches Madea movies! I absolutely love her and that smile. Her giggles were infectious. I am praying for God's incredible peace and comfort for you all through this time.

“ What a precious girl she was. I will always remember several years ago when I took the Kona Ice truck to her house when you lived in Beebe not too long after I learned of her condition. The way her face lit up illuminated everyone around her! She will be missed, but only until the rest of us join her. May God's blessings and comfort be with you, Ken and Vanessa.
