

Alice Faye Roberts

December 31, 1938 - June 17, 2022

Alice Faye Washburn Roberts left this earth and walked into the arms of Jesus on June 17, 2022, as she joined her husband, Mike, and daughter, Michelle, in their eternal home. Alice was born to D.A. “Dib” and Mary Esther Walker Washburn on December 31, 1938. She was a devoted wife, mother, grandmother, and friend, and a member of Saint Paul United Methodist Church of Searcy. Alice worked as a hairdresser and teacher’s aide, as well as a caregiver for children, during her younger years. Later in life, she enjoyed time spent on her computer as she emailed and connected via Facebook with friends and family in various areas of the country. She once stated that this was her lifeline and brought her great joy.

Alice was preceded in death by her parents, her husband of 60 years, Michael “Mike” Jackson Roberts, beloved daughter Michelle Roberts Stewart, and sister, Mary Ruth Washburn Cranford. Left to cherish her memory are her son-in-law Russ (Stacy) Stewart; grandchildren Russell (Kalyn) Stewart and Lauren Stewart of San Antonio, TX; great grandchildren Ru and Corrie-Elizabeth Stewart; brother James Washburn of Steamboat, CO, sister-in-law Vernal Lee of Austin, TX, and a host of special cousins, nieces, and nephews. Alice shared a special connection with her beloved nephew, Tom Cranford, who served as her primary caregiver over the last few years. The family would like to offer special thanks to Nickie Spiker, Cynthia Raymond, and Amber Morris of the House of Three, as well as AR Hospice, for their compassionate care.

“ Alice and I met about 12+ years ago and my life has not been the same. I just love Alice.
We shared quite a bit about one another, and found out that we were very much the same in so many areas. I miss her so much, she always made me laugh and Im talking a gut laugh. She was so funny ! We would talk on the phone for a very long time, and it always was about what's for lunch or dinner. I gave her this clock that has the date and time and day and she loved it. We spoke of getting a business together about that clock, she said so many people loved it and wanted one. We could have made some REAL money selling that clock. Truly a lovely woman inside and out ! Heaven has received an Angel and I know that she was ready to go to Heaven. What a beautiful thought, Michele and Mike and her celebrating together. It has truly been a blessing for me to have her in my life. I love you Alice and will see you one day, Hugs

Stacy, you were a special friend to Aunt Alice and she talked about you often. And she REALLY did love the clock! Take care - Lisa

“ Aunt Alice was so easy to talk with. We shared emails and conversations both deep and day-to-day. I enjoyed her company and will miss her greatly. She was so grateful for family and friends who took her to appointments, checked on her, called her, and loved her. She talked about them often.

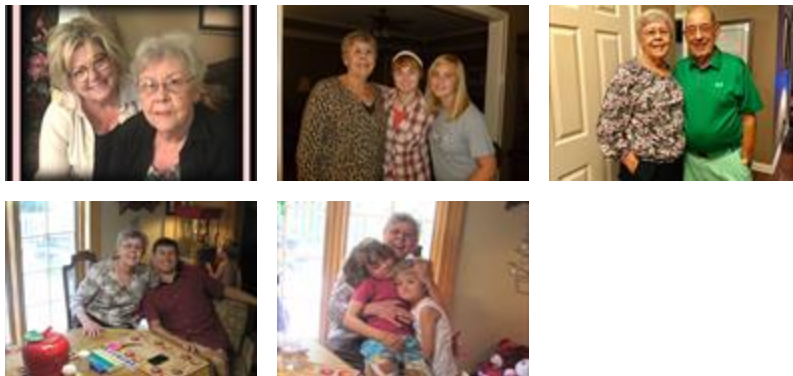

Aunt Alice gave me my first haircut. She and Uncle Mike kept me when Allen was born, and she had a lot of patience with my "help" changing diapers and feeding bottles to my newborn baby brother. I loved playing the keyboard at their house and reading Sesame Street books that they bought for me. And I loved playing with my older cousin Michelle and felt special when she included me in activities with her friends.

I know that Aunt Alice, Uncle Mike, and Michelle are having a wonderful reunion in Heaven, and that gives me comfort.
