“ Prayers are with you all during this tough time. It is a blessing to know all suffering has ceased and a wonderful family reunion is taking place in heaven!

“ Dear "Bootsie",

That's the way I will always think of you as that's what I always heard your mother calling you. I have so many fond and sweet memories of her as my GA leader in the Baptist Church. What a gentle soul she was. Mother enjoyed being in the bridge club with her also. There are always so many good ties to folks when you grow in a small town...wouldn't change it and the privilege of knowing so many wonderful people for anything. I know you feel very alone; it's strange that we feel like "orphans" when our parents are gone no matter how old we are. But, just remember, you are never really alone. Our heavenly Father loves and cares for you and will never leave you. You will be in my prayers that you will feel His closeness and the love and caring of those who knew and loved your mother.

Love,

Martha Ann

“ *Alice playing the piano for Mrs. Wyatt's 4/5 year old Sunday School class at First Baptist Church is among fondest my memories of childhood. Both she and George were also wonderful neighbors of my parents Nick and Rachael King. Simply put -- a most wonderful person.*

“ *Anne - I am so sorry for your loss. No matter how long we have them, Mothers are hard to give up. It's been a long road and you have shown your love for her in your devotion. Call on me if I can help.*
