“ Alice was my first cousin on my father's side and I just found out that she is no longer with us. Alice was an important link to my past as she and her brother Bill Edens were both present at my parents wedding in 1931. Alice was always so full of life and an amazing person. I wished that I had been able to keep in contact with her these last years. The last time I saw her was at her brother's funeral in Asheville, NC. May she rest in peace.
