“ Joe was a great man, with a big heart and a big personality. He loved his family and his church. We had some great conversations, from how we were related, to how he would show me how to drive a tractor. He loved Jeannettes cooking and listening to his boys and grandkids playing and singing in the family band. He will be missed by so many, but we all know he isn't suffering anymore and in a better place. Prayers for the family .
