“ *I was privileged to have taught Quinn in the 6th grade. He was a great young man and always kept his teachers on their toes. The world has lost a wonderful gift in Quinn but, heaven has gained a wonderful angel. My thoughts and prayers are with Quinn's family during this time.*

“ *No words anyone speaks can take away the pain, but by letting your family know there are people that care for you and have you in their prayers we hope you can find comfort. The obituary states Quinn is preceded in death by his father Robert. I went to school with a Robert Yancey at Northeast High School in North Little Rock. Quinn resembles him greatly. I don't know if Quinn is his son but your family is in my prayers nonetheless. I know your family is hurting from the loss of this wonderful young man. May God give you comfort, strength and peace.*

“ My heart just broke when I saw Quinn's picture in the paper. Memories of that little red haired boy with the million dollar smile flashed through my mind. I have only fond memories of Quinn and our days together at the Migrant center. He was a sweet and precious child well loved by all, especially the staff at the center.

May our Lord and Saviour bring you peace and comfort until you see Quinn again in Heaven. You will be re-united please keep that in mind during the days, weeks, and months ahead.

My deepest sypathy to all the family.

“ I had the honor of being Quinn's 7th grade social studies teacher. Not a day went by that Quinn did not have a smile to share with his teachers or his classmates. He was full of laughter and kindness, and I am going to miss that special young man! I pray that God will wrap his wonderful arms around your family and give you peace and comfort.
