“ *She was the most honest and loving person I have met in Bald Knob. She came to subway every day, when she wasn't going to be there she would inform me the day before so I wouldn't worry. I loved all her stories and she was a lucky woman to have a family who adored her.*

“ *Sorry to read of her passing, but it brings to mind many fond memories of having the Johnson family as great neighbors at the pumping station. She was a wonderful role model for me as a teenager and I'm sure she never knew. My thoughts and prayers are with the family during this sad time.*

“ *My heart breaks at the loss of Mrs. Johnson. I know she is having a joyous time in heaven. She always put a smile on my face and laughter in my heart. My prayers for the family during this difficult time. I loved her and will miss her tremendously. Her late husband once told me , " I don't have a million bucks but I have Alma and she looks like a million bucks!" So very true, she was a beautiful lady inside and out.*
