“ My earliest memories in life include Alpha and Bo; they were good friends of my parents and were neighbors when I was born, exactly one month after their son Larry. Many of my childhood memories involve the Klotzes. I was glad to come to know Alpha as an adult when I moved back to the area briefly. She was one smart cookie, and always fun to talk to; she had a lot of stories and a lot of knowledge. She was very proud of all of her children and kept me up to date on their lives. I'm very sad to hear this news. Bo, Larry, Paula, and Tracy (we never met but I know a lot about you), my heart is with you all. I know Alpha will live on through your memories. I'm sending love and prayers your way.

“ Miss Alpha made the 40 plus year friendship that started in the Hurricane Bottoms "duck woods" so special. A hunting bond with Bo and Troy Knight developed into a life-long friendship. Over the years we enjoyed so many wonderful breakfasts in Alpha's kitchen. All the wonderful preserves on the biscuits and her signature "chocolate gravy" !! Alpha, Bo, and their wonderful family shared the warmth of their home, and every visit was way more special than simply a duck hunting trip. Memories of Alpha knitting and sharing her wisdom will live on. The world is a better place because of her.

“ I am so sorry to hear of the passing of Alpha. I have so many fond memories of her growing up. Her compassion and love for the neighborhood kids. I remember playing under the big tree by her beauty shop and digging Bo's peanuts up behind his shed. All the town kids on Halloween and parents walking us together and flying June bugs on a string. Who would have every thought you could fly a June Bug on a string. Such a sweet wonderful lady she will be deeply missed by ALL that knew her. Love and prayers to the Bo and they family.

“Alpha will be greatly missed by her family ,friends and community. She loved to help at any town function by making pies . She cut just about every kids hair in town when we were growing up. I have lots of memories of her being our craft teacher during VBS. She was great at crafts and crocheting. I will treasure the Afghan she made me for my 50th Birthday. She and Mr Bo raised 3 good kids and had 65 great years together. Prayers for you all.
