“ Alta was a beloved friend for many years. I had not been able to reach her for the past few years and couldn't remember Debra or Cindy's last names to try them. Alta had always called me and I worried about her. I just found out about her passing and my heart and prayers go out to her family. She loved you all so very much. I met Alta at Christian Singles in Augusta and we had so many great times together.

“ *From almost the beginning of our relationship, Alta treated me like a son. She was always there for us with the children, with advice when we were young, and love when it was needed. I will miss her so much.*
