Thanks for letting us adopt Jaymie. When I was depressed it really changed my life. I will never regret the choice we made to make her our little angel. The only regret is that you didn't get your life straight in time to have a relationship with her. Love you Alyisia. Thanks again.

“ *The one thing that sticks out the most to me was her first and last beauty pageant. It was a struggle to get her to wear the dress and as soon as the pageant was over she jumped off the stage went straight to the restroom and started stripping and putting on her sweatpants and T-shirt. She never was a "girly girl" she will always be remembered by me as my tomboy.*
