“ To Amy's Family: My prayers are with you during this difficult time. She was very friendly when I would meet her in the hall and was helpful when I needed her help. She loved her husband, sons as well as her family. It was very evident in the video. May God Bless you during these difficult days.

“ Just heard about Amy last night. What a loss!!! Though I didn't get to know her well. Just a few minutes with her left an impact. I can only imagine how empty you feel. She was a force with a heart so big. I was just speaking about her to my husband minutes before joining the DWalk meeting and heard what happened. I was hoping to see her. May God continually comfort and keep you for the rest of your lives.

“ Mark and Boys I'm so sorry for you loss. Amy was a special lady and I enjoyed the times we got to spend together at the horse shows and working in the concession. My heart goes out to Mark and the boys. I enjoyed watching the boys show and grow. Mark Sorry I didn't make the funeral service. I didn't know when it was. But you and the boys are in my thoughts and prayers. If there is any thing we can do to help just message me on facebook. Rae Jordan. God Bless you all. Hugs
