“ Michael, Betty, & Family,
I'll always remember Amy when she was a little girl in Augusta Elementry School. I was the school nurse at that time. Amy wasn't one of my frequent flyers. I just remember how happy she was. Every time I saw her she was smiling. Even as a small child she had a love of animals that carried on as she grew up. David & I are so sorry for your loss. Heaven has a new angle to help Jesus with the animals. I've always believed Heavens gate has a doggy door so the animals can just go right in.
