“ You are in my prayers. I can't imagine the pain that you are going through, but God can. He, too, had a Child to die an Earthly death. His Child is in Heaven and Chloe and Anastasia are surrounded by His love. If you are faithful you will join them in that Happy Land above.

Family Chain

*We little knew that morning,
God was going to call your names,
In life we loved you dearly,
In death we do the same.
It broke our hearts to lose you,
You did not go alone.
For part of us went with you
The day God called you home. You left us beautiful memories,
Your love is still our guide,
And though we cannot see you,
You are always at our side.
Our family chain is broken,
and nothing seems the same,
But as God calls us one by one,
The chain will link again.*

Broken Chains

*I'm soaring high above you
No longer there is pain,
I was ready when God called me
And freed me from those chains,
I know how much you loved me
And your lives won't be the same,
But God released my sorrow
When the Angels called my name,
Fear not about the journey
I did not go alone,
For he sent a mighty warrior
To carry me to his throne,
Majestic wings embraced me*

*As he drew me to his chest,
A voice so softly whispered
As I laid my head to rest,
I never knew such happiness
Would be waiting for me here,
Our loved ones came to greet me
To wash away my fear,
If you could only see me
Your hearts would not be sad,
At peace and loved forever
I'm in the arms of dad.*

“ Although no words can console or help at this time of the most terrible lose imaginable, I want you to know I have been and will continue to pray for your comfort. I lost two grandchildren in a wreck on Joy Mountain 5 years ago Dec. 16 and will forever grieve their loss. Nothing eases the pain, we just learn how to cope. If you ever want to talk to me, I would be more than happy to share and comfort in any way that I can. My daughter now has four-month-old twins that were sent by God. They do not and will never replace our Brooklyn and Tanner, but they bring us many blessings and we are so thankful for this miracle. My tears and my heart are Bwith you at the most difficult time. May God bless and comfort you all!!

“ When a precious child is born we say God has blessed us with the most precious gift. To loses that precious child is like God took away the most precious Angels that a mother has. I pray God will give you strength through prayer Billi to carry this huge burden of pain and I pray for you and your family daily. You have my love and support and I am a phone call away.

“ I don't know you but, I know what comes with the loss of a child. It was hard to loose my 18 year old in an automobile accident and the pain of loosing 2 at the same time is not something I can even imagine going through. Please know that there are others that have been through this and can help you to understand yourself and how you are feeling. God Bless you and I will remember you in my prayers. Please email me if you need to talk to one or even a group of parents that understand.

“ My thought's and prayer's go out to this family. I don't know you but i feel your pain as i cannot imagine going through this tragic loss. A parent should never have to bury their children. May God wrap his arm's around all of you and lift you up give you strength to walk forward. There's going to be a glad reunion day and you can reunite with your kid's. I am so so sorry for your loss.
