“ I remember my sister and Molly always spending the night together at Miss Angie’s house and how much fun they had. She was such a great person always had a smile on her face with that sweet voice she had. I’m gonna miss her so much.

“ Today I heard of Angie's passing. So sad to hear. She will be missed. Angie and I met and became friends in a Writers Group several years back. She was always so kind and thoughtful. She was also the daughter of my friend, Margaret. My heart goes out to all her family. God comfort you all.
