Haven't seen Angela since she gave Mom some of her Cowboy Candy... I'm sorry for your loss.

“ I hadn't seen Angela in awhile, most recently at the Farmer's Market in Searcy some time ago, but we used to run around together with another friend of ours, probably doing things we shouldn't have! I remember when she had Ashley, and I remember all the fun we shared; I don't know what happened, but had I known, I would've been there. My condolences to the family.

So sad to hear of Angie's passing. Angie and I worked together at Speed Queen/Maytag for many years. She will be missed by all who knew her. Prayers for her family for peace and comfort during this difficult time.

Sorry to know that Angie has passed. She would come to Pioneer Village and sell her Cowboy Candy, always a big hit. We became friends as a result of this. I have not seen her in a couple of years but always enjoyed visiting with her.
