“ I am so saddened to hear of Annette's death. She was a childhood friend of mine. My daughter lost her father two years ago at the age of 33. No words could help the pain that you are all going through. Just know that God will always be there to comfort you and give you peace when it seems there isn't any. Do not ever cease to talk with him about your loss. I am certain that he has gained another angel in heaven.
