“ *Annie Lee was a great lady. She was one of the sweetest, kindest women I have ever met. She had a great sense of humor as well. She is greatly missed.*

“ *Annie Lee and I grew up together, went to the same elementary school, attended and belonged to New Prospect Baptist Church, all in Hurt Virginia. I knew all her brothers and sisters, both her parents and my best friend was her brother Raymond. Virginia married my wife's brother, Edward Lanier. Virginia has been a life long friend.*

In the first and second grade the teacher would punish us boys by making us set by a girl, often Annie Lee. Sometimes, just for fun, I would misbehave hoping the teacher would make me sit by Annie Lee. I looked forward to that as Annie Lee was always fun and we both would laugh together at some kid throwing spitballs at each other or some funny act, often by Annie Lee herself. Annie Lee never got caught, it was always me who got in trouble. Miss Anderson was our teacher. Annie Lee and I parted company from each others lives when she got married and moved to South Boston. But my memories of her are strong and I know she is in Heaven now, probably playing a joke on Saint Perter himself.

“ *Peggy and family....so sorry for your loss. A mother, as we all know, is irreplaceable. No one can ever say, I Love You, like your mother can or hold you close enough in those warm arms. She is with the greatest person up stairs and will always be looking down and around you all the time. Trust me....I know....I lost mom in 1969 and she never has left me since. Love You Peggy!*
