“ I didn't know April outside of Sonic but she was my absolute favorite carhop.

I would pull in, sit for a minute, look at the order board and she would have my order already on the screen before I even pushed the red button. Always smiled as she handed me my "regular".

*She waited on me Monday - my heart is so sad but I'm so glad that it was her that got me my "regular"
(As she called it).*

Beebe Sonic won't be the same for me without her.

I'm so sorry to all her family and friends for the loss.

“ *April, there is so much I could say about you. Whether it was your adventurous spirit, your creativity in the kitchen, or your ability to make someone laugh. You were the all around most amazing person I have ever had the pleasure to call friend. Just seeing everyone's support for you and your family just goes to show exactly what kind of person you were. Until we meet again. I love you STOA*
