“ A friend and a fellow Bald Knob fixture for many years and on occasions i have seen him say just a minute and i will take a look and advise you on your issue. Never in my presence have i witnessed him refuse to listen to a customers problem. I am sure his appointment book is Full already. Johnny Hodges

“ Years ago, I was visiting at Archie and Pat’s in CA when they decided to move back to Arkansas. They were selling their furniture to keep from moving it. The kitchen table had been sold and Pat stated that we had no table to eat supper on. Archie said, “Wait till you get to Arkansas and you have a table but no food to put on it.” I have never forgotten that!!
RIP Archie.
