“ It was always a such a delight for me to take care of Archie that I actually looked forward to your visits to the Transplant Clinic. Even if he did not feel the greatest he always had a ready smile and such a sweet spirit. I am shocked and very saddened by his passing. Louise, I know you and your family are enduring great sorrow, and my most sincere prayers are with you and the family at this difficult time. If I can be of any help please call me.

Sincerely,

Nancy Hastings

“ Robert and I send our thoughts of sympathy and of our joy in having known Archie Lee. We enjoyed going turkey hunting with Archie, Daniel, J.D. and Carl Rubin. Of course the turkeys always won since we never got one. Louise and children, we are so sorry for your loss of a good man. I will miss his jokes, emails and the sound of his voice.
