I have several he planted for me and they will become a memorial of of him to me. My heart goes out to all the family.His presence will be missed.*

“ Crystal
Sorry to hear of Arthur's passing. I have some Tiger Lillies that he gave me long ago when Gene and I came down. Every year when they bloom I think of him. He was one of a kind.

“ I adored this man and enjoyed visiting with him when I would come to Ark. He is a character that I will never forget. It was a pleasure to have Uncle Arthur in my life all these years. His family lived neighbors to my mom's family when they were growing up. His brother, Carthel, married my mom's oldest sister, Irene. I will miss him very much! Sue
