“ Louise, we were very sorry to hear about Guy. We know you will miss him very much. Growing up in Algoa, he was pretty much a big brother to me.

We are always available if you need family, even though we are in San Antonio, we can be reached easily.

You will be in our thoughts and prayers.

“ Louise,

Wayne joins me in sending our deepest sympathy for your loss. Guy was a super special fellow and always a joy to see. We were lucky to count him among our friends. It is our hope that knowing many friends care for you will be a source of comfort. You will be in our prayers.

“ Louise, Mom called with this sads information. I am so sorry. You both are special people to me and you welcomed Kevin and my boys as they were you own. I can see Guy smiling on us as I type this letter. I'll never forget him taking me under his wing at the pipeline plant. Those were wonderful summer days. Then after work we would both be off to hit that golf ball. Your in our prayers. We love you bunches.
