“ Audrey Martin gave birth to a son in 1962. That small blessing later became to be my father. I am so thankful for the lessons of selflessness and strength she taught him. He later taught them to me and now I'm teaching my children. She will be greatly missed but her imprint on our lives will linger forever. For me, it's how to be strong when circumstances are unbearable.

“ I feel blessed that I was privileged to meet Audrey and share some times with her. When Priscilla became a part of our family, we all felt we had gained a new sister, and thru her, we came to know and appreciate Audrey and Jyme. May God's blessings be upon Audrey's family, and may they always just remember the great lessons she taught.

“ I'm so very sorry for your loss. I loved her and will never forget the memories I have of her. She gave me a wedding shower and a baby shower at her home. We had some fun times when we were out of state on pipeline jobs with our husbands, she would always help me to find a place for my family to stay. And was always there to help me if I needed a ride or anything else. We had some fun times that I will never forget. She was a fun, sweet lady that will be missed, until we see her again one day in Heaven.
