“ We hope you will accept our deepest condolences for the recent loss of your dear Audrey. The Bible offers us a sure hope for the future. He promises us that those of our loved ones who have died in His memory will be resurrected to life on Earth. (John 5:28,29) We also appreciate the fact that the Earth will be much improved and all the factors that cause us sadness will be eliminated and replaced with happy, healthy conditions in which no one will be sick or suffering in any way. (Revelation 21:3,4 and Isaiah 33:24) Many now living look forward to the time when these things really happen. We hope you will take the time to read these scriptures, when time permits. Our family is praying for your comfort in this difficult time.
