“ *Most of my memories of my classmates were good ones. We called Tarver "Tar Baby" from elementary school. And when he was playing basketball, the girls were jealous because he had better looking legs than the girls did. :) The last time I saw Tarver I believe, was in Heber at Wal Mart; I think he was shocked to see someone he knew. I never could get him to come to a reunion. Not sure why but he just wouldn't come. I hate that we didn't get to reminisce with him. Another "family" member gone.*
