“ *Gosh, what a great person Barbara was. Talk about salt of the earth. She was one of a kind. I will miss her - her dry sense of humor, her generosity, her smile, her gentle ways.*

“ *Debbie:*

Your mom was a very special person in every way. Her passing will leave us feeling very empty for a long time. She was always so proud of you and proud of what you were able to accomplish during your life. Always remember the wonderful relationship that you had and always know how very special you were to her.

God has her with him now and she will never feel pain or sadness again. If I know Barb, she has the big man laughing and enjoying every minute he is spending with her.

Love Always and may God Bless You and Yours,

Linda Crawford
