“ *My thoughts and prayers are with you at this time. I am
remembering all the good times that we have had together as a
family. I am sorry that I can not be there. My favorite memory of
Aunt Beatrice is going to the lake and going fishing. We cooked the
fish in the big ol' kettle and it sure was the best fish I've ever had. I
shared some good laughs with Aunt Beatrice while cooking all that
fish. Love, Viola*
