“ I did not have the pleasure of knowing her, but through my friendship with Gail and Dana, it is safe to say that the best of Mrs. Francis lives on in those who loved her. Our thoughts and prayers are with you all for now and for days to come.

“ Mrs. Francis was such a sweet lady. It was a privilage to be her nurse and to have known her, even if only for a short time. She reminded me a lot of my own grandmother. I can see how and why she will be greatly missed . My deepest sympathy and heartfelt prayers are with you all at this difficult time. Like Jesus said, Today you will be with me in paradise. Today, **THIS VERY MOMENT**, the person that you love so much is in **PARADISE** with Jesus. For me that always makes it a little easier. God Bless you all .
