“ David....I am so sorry to hear of your son's accident. You've lost a
lot over the last month yet I am still impressed by your faithfulness
and it is that faithfulness that you instilled in your son that can
hopefully give you a peace now that not all parents could have just
knowing where your son will spend an eternity. It doesn't take away
the pain...but hopefully gives some comfort. My prayers are with you
and your family.

“ Benjamin , although I did not meet you I am a part of your family
and past, my family is originally from there and moved to Oklahoma
City where I was born.
Your name is and has been in the family for many generations
stemming from Benjamin Franklin a great man , who lived and died
for the his people.

*I feel you were this kind of man , with many friends and family and
people who cared for you , you will certainly be missed but not
forgotten !*
