“ To the Watson family,  
It was a pleasure to have grown up with Bennie Jr. I remember when I moved from New York many years ago he openly welcomed me in as his friend. He was the first and only person that I ever went rabbit hunting with. We had to be 12 or 13 years old.  
I know that he will be missed by many and I am thankful for his welcoming friendship. May God continue to be with the Watson family at this time.

Prayerfully,

Racine Williams jr

“ To the mother of Mr. Bennie Watson Jr., Gail Watson, and to the immediate family. You have my deepest sympathy after the passing of your loved one. Bennie will be missed by many. He brought joy and laughter into the lives of many like no one else could. It was a pleasure to have had the privilege to meet him. While he was a kid growing up my mom, known as Aunt Clay, would often travel to Kensett to stay with Aunt Marcie during the summer. When she returned back home she always had pictures and great stories to share about the time well spent with family. One of the many persons that she always admired and talked about was Bennie Jr.. They're now spending time together again, but in heaven. Cousin Bennie, may you rest with God and your spirit live on in others that you touched. Cousin Gail, may God continue to bless you and yours and give you the much needed strength to carry on. I pray that your faith is never weakened. You too, will see Bennie Jr. again. With much love and condolences, Derrick Richardson.
