“ *Mary Gwen...I was so sorry to hear of your mother's death. I remember her as a very giving and involved woman. A bit of news you might want to share with your family. My wife, Brenda, saw the LRCHS email and recognized your mother's name. Her great Uncle was Algy Hemenway. I believe your mother had been taking care of his wife Ila in Judsonia. As a matter of fact, Brenda called you mother a while back tracing some family history. They had an enjoyable conversation. Small world.... Peace be with you and your family.*
