“ *The memory of Aunt Niece will always be that she was a prayer warrior. The last time that I chatted with Aunt Niece, I asked her if she was ready to be with her Savior and she said "You better believe it". I have heard her use those words before. So now, I think of her in Heaven with her Savior and if I asked her was she happy and out of pain now she would say " You better believe it". Happy Heaven Aunt Niece. I love you.* ”
