“ *Mom and I are so sad for the loss of your mother. As children we know this time will come but we are never ready or willing to give them up. But, Bertha is in the hands of God now and will forever be at peace. We will keep you in our prayers and know that God is with you during this time of loss and in the days ahead when you will miss her and think of her. She is in God's bosom now resting and waiting on your arrival.*

“ Although we have never met, I am deeply saddened by your loss. We all are touched by the loss of a loved one. Please know that God will be with you to comfort and soothe your heart. Psalms 34:18 says that He is near to those broken at heart and saves those crushed in spirit. Always remember the promises found in His Holy Word. Please accept my sincere condolences.
