“ My dear friend Betty Kay Grisham, I was so sorry to hear about her passing. Only God knows best! She was such a beautiful person. I am Black and she treated me so good. Her and Robert gave me my first Eskimo Spitz puppy for Christmas one year. Got me hooked on those dogs! They would visit and we would visit them They were good people and now they are back together again. No Betty Kay without Robert. Rest in sweet love! Our prayers to the family....
