“ It's not going to be the same without her. She has touched the lives of so many people. I have so many childhood memories wit my aunt Betty & uncle James, they were two of the most loving people always showing their love and support for their family and friends. I was aunt Betty's name sake and I always felt a very special connection, I loved her dearly. I will miss you and love you always.

“ From what I remember she was always a happy woman. Any time me and nate would walk down to her house it seemed like she always had a smile on her face. What an amazing woman. I can't imagine what your family is going through. Sending love and prayers your way.
